

EVOC INSTRUCTOR COURSE OVERVIEW

Powered by Trilogy Emergency Medical Solutions

About the Course

The Emergency Vehicle Operator Course (EVOC) Instructor Certification prepares EMS professionals to lead and certify personnel in safe, effective emergency vehicle operations. This program is based on the U.S. Department of Transportation National Standard Curriculum—widely recognized as the gold standard in EVOC education.

Trilogy Emergency Medical Solutions has delivered EVOC Instructor Courses for over 15 years across the United States and internationally. Our program is designed to help agencies reduce liability, enhance operational safety, and improve training outcomes.

Course Details

- Course Length: 2 Days (16 Hours Total)
- Delivery Options:
 - Traditional In-Person
 - Hybrid (Online Didactic + In-Person Skills)
 - 100% Online (Virtual Live Instruction)
- Location:
 - Trilogy HQ in Tampa, FL
 - Or hosted at your department or agency
